## Legal Authority

---

The Workforce Innovation and Opportunity Act (WIOA) sec. 121(c)(1) requires the Local Board, with the agreement of the Chief Elected Official (CEO), to develop and enter into a Memorandum of Understanding (MOU) between the Local Board and the One-Stop Partners, consistent with WIOA Sec. 121(c)(2), concerning the operation of the one-stop delivery system in a local area. **Please note that a MOU is complete only when it's inclusive with the Infrastructure Funding Agreement (IFA).** This requirement is further described in the Workforce Innovation and Opportunity Act; Joint Rule for Unified and Combined State Plans, Performance Accountability, and the One-Stop System Joint Provisions: Final Rule at 20 CFR 678.500, 34 CFR 361.500, and 34 CFR 463.500, and in Federal guidance.

Additionally, the resource sharing and allocation of infrastructure costs among one-stop partners is governed by WIOA sec. 121(h), its' implementing regulations, and the Federal Cost Principles contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR part 200.

## Memorandum of Understanding

---

This MOU is executed between the Shenandoah Valley Workforce Development Board (LWDB), the VA Career Works system Partners (Partners), and Brian Shull, Chair of the Shenandoah Valley Chief Elected Officials Consortium (CEO).

This MOU is developed to confirm the understanding of the Parties regarding the operation and management of the VA Career Works Centers in Local Workforce Development Area IV (LWDA) region. The LWDB provides local oversight of workforce programming for the LWDA.

The Resource Sharing Agreement and Infrastructure Funding Agreement establishes a financial plan, including terms and conditions, to fund the services and operating costs of the LWDA Virginia Career Works Center(s). The Parties to this MOU agree that joint funding is an essential foundation for an integrated service delivery system and necessary to maintain the LWDA's high-standard Virginia Career Works system.

The Vision, Mission, System Structure, Terms and Conditions, Resource Sharing Agreement, and Infrastructure Funding Agreement outlined herein reflect the commitment of the Parties to their job seeker, workers and business customers, as well as to the overall LWDA community.

## Introduction

Changing labor markets and advances in technology have revolutionized how businesses find talent and job seekers look for work. Social media, online talent platforms, and professional networking sites are evolving rapidly, perpetuating shifts in labor market dynamics. Additionally, rising consumer expectations and global competition have transformed how business is conducted in most industries. Employers must move faster and more efficiently in order to stay ahead of (or at least keep up with) competitors. This makes it imperative for the public workforce system to continuously adapt and reframe strategies and policies designed to support employers and job seekers.

The LWDB seeks to establish a system that stands in stark contrast to the “traditional”/historical transaction-based model, whereby each agency operates its own business and job seeker services functions, and participants move from place to place seeking services. Instead, the goal is to create integrated locations and a unified structure and process of proactive, transparent, and effective job seeker and business services, orchestrated by a seamless collaboration of talent development and support agencies.

The purpose of this Memorandum of Understanding (MOU) is to define the parameters within which education, workforce, economic development, and other Partner programs and entities operating in the LWDA create a seamless, customer-focused service delivery system that aligns service delivery across the board and enhances access to program services. By realizing one-stop opportunities together, partners are able to build community-benefiting bridges, rather than silos of programmatic isolation. These partnerships will reduce administrative burden and costs and increase customer access and performance outcomes.

## VISION

We lead Virginia in ensuring a highly skilled and engaged workforce. We integrate workforce development and economic development activities to produce a vibrant economy with unparalleled quality of life.

## MISSION

Building partnerships to create workforce opportunities that cultivate business, grow jobs, develop people, and build community.

See ***Attachment A: Definitions*** for definitions pertaining to this MOU (Page 23)

Indoor space will be designed in an “equal and meaningful” manner providing access for individuals with disabilities.

### *Virtual Accessibility*

The LWDB will work with the VA Workforce Development Board (VA WDB) to ensure that job seekers, workers and businesses have access to the same information online as they do in a physical facility. Information must be clearly marked and compliant with Section 508 of the U.S. Department of Health and Human Services code. Partners will comply with the Plain Writing Act of 2010; the law that requires that federal agencies use "clear Government communication that the public can understand and use" and all information kept virtually will be updated regularly to ensure dissemination of correct information.

Partners should either have their own web presence via a website and/or the use of social media, or work out a separate agreement with the local board to post content through its website.

### *Communication Accessibility*

Communications access, for purposes of this MOU, means that individuals with sensory disabilities can communicate (and be communicated with) on an equal footing with those who do not have such disabilities. All Partners agree that they will provide accommodations for individuals who have communication challenges, including but not limited to individuals who are deaf and hard of hearing, individuals with vision impairments, and individuals with speech-language impairments.

### *Programmatic Accessibility*

All Partners agree that they will not discriminate in their employment practices or services on the basis of gender, gender identity and/or expression, age, race, religion, national origin, disability, veteran’s status, or on the basis of any other classification protected under state or federal law. Partners must assure that they have policies and procedures in place to address these issues, and that such policies and procedures have been disseminated to their employees and otherwise posted as required by law. Partners further assure that they are currently in compliance with all applicable state and federal laws and regulations regarding these issues.

All Partners will cooperate with compliance monitoring that is conducted at the local level to ensure that all VA Career Works programs, services, technology, and materials are physically and programmatically accessible and available to all. Additionally, staff members will be trained to provide services to all, regardless of range of abilities, mobility, age, language, learning style, or comprehension or education level. An interpreter will be provided in real time or, if not available, within a reasonable timeframe to any customer with a language barrier. Assistive devices, such as screen-reading software programs (e.g., JAWS and DRAGON) and assistive listening devices must be available to ensure physical and programmatic accessibility within the local service delivery system.

All parties shall comply with the Byrd Anti-Lobbying Amendment (31 U.S.C. Section 1352), 29 C.F.R. Part 93, and 34 CFR part 82, as well as the requirements in the Uniform Guidance at 2 CFR 200.450. The parties shall not lobby federal entities using federal funds and will disclose lobbying activities as required by law and regulations.

### **Debarment and Suspension**

---

All parties shall comply with the debarment and suspension requirements (E.O. 12549 and 12689) and 2 CFR part 180 and as adopted by the U.S. Department of Labor at 29 CFR part 2998 and by the U.S. Department of Education at 2 CFR 3485.

### **Priority of Service**

---

All parties certify that they will adhere to all statutes, regulations, policies, and plans regarding priority of service, including, but not limited to, priority of service for veterans and their eligible spouses, and priority of service for the WIOA title I Adult program, as required by 38 U.S.C. sec. 4215 and its implementing regulations and guidance, and WIOA sec. 134(c)(3)(E) and its implementing regulations and guidance. Partners will target recruitment of special populations that receive a focus for services under WIOA, such as individuals with disabilities, low-income individuals, basic skills deficient youth, and English language learners.

### **Buy American Provision**

---

Each Party that receives funds made available under title I or II of WIOA or under the Wagner-Peyser Act (29 U.S.C. Section 49, et. seq.) certifies that it will comply with Sections 8301 through 8303 of title 41 of the United States Code (commonly known as the "Buy American Act.") and as referenced in WIOA Section 502 and 20 CFR 683.200(f).

## **Salary Compensation and Bonus Limitations**

---

Each party certifies that, when operating grants funded by the U.S. Department of Labor, it complies with TEGL 05-06, Implementing the Salary and Bonus Limitations in Public Law 109-234, and Public Laws 114-113 (Division H, title I, Section 105) and 114-223, and WIOA section 194(15)(A), restricting the use of federal grant funds for compensation and bonuses of an individual, whether charged to either direct or indirect, at a rate in excess of the Federal Office of Personnel Management Executive Level II.

## **Non-Assignment**

---

Except as otherwise indicated herein, no party may, during the term of this MOU or any renewals or extensions of this MOU, assign or subcontract all or any part of the MOU without prior written consent of all other parties.

## **Governing Law**

---

This MOU will be construed, interpreted, and enforced according to the laws of the Commonwealth of Virginia. All parties shall comply with all applicable Federal and State laws and regulations, and Local laws to the extent that they are not in conflict with State or Federal requirements.

## **Dispute Resolution**

---

The following section details the dispute resolution process designed for use by the partners when unable to successfully reach an agreement necessary to execute the MOU. (Note: This is separate from the LWDA Customer Grievance and Complaint Management Policy.) A disagreement is considered to have reached the level of dispute resolution when an issue arises out of the development and negotiation of an MOU that is not easily coming to a point of resolution. It is the responsibility of the LWDB Chair (or designee) to coordinate the MOU dispute resolution to ensure that issues are being resolved appropriately. Any party to the MOU may seek resolution under this process.

- ❖ All parties are advised to actively participate in Local negotiations in a good faith effort to reach agreement. Any disputes shall first be attempted to be resolved informally.
- ❖ Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. The petitioner must send a notification to the LWDB Chair (or designee) and all parties to the MOU regarding the conflict within 30 calendar days.
- ❖ The LWDB Chair (or designee) shall place the dispute on the agenda of a special meeting of the LWDB's Executive Committee. The Executive Committee shall attempt to mediate and resolve the dispute. Disputes shall be resolved by a 2/3 majority consent of the Executive Committee members present.
- ❖ The decision of the Executive Committee shall be final and binding unless such a decision is in contradiction of applicable State and Federal laws or regulations governing the partner agencies.
- ❖ The right of appeal no longer exists when a decision is final. Additionally, final decisions will not be precedent-setting or binding on future conflict resolutions unless they are officially stated in this procedure.
- ❖ The Executive Committee must provide a written response and dated summary of the proposed resolution to all Parties to the MOU.

- ❖ The LWDB Chair (or designee) will contact the petitioner and the appropriate parties to verify that all are in agreement with the proposed resolution.

## **Modification Process**

---

### **1. *Notification of Partners***

When a partner wishes to modify the MOU, the partner must first provide written notification to all signatories of the existing MOU and outline the proposed modification(s).

### **2. *Discussion/Negotiation***

Upon notification, the LWDB Chair (or designee) must ensure that discussions and negotiations related to the proposed modification take place with partners in a timely manner and as appropriate.

Depending upon the type of modification, this can be accomplished through email communications of all the parties. If the proposed modification is extensive and is met with opposition, the LWDB Chair (or designee) may need to call a meeting of the parties to resolve the issue. Upon agreement of all parties, a modification will be processed.

If the modification involves substitution of a party that will not impact any of the terms of the agreement, it can be accomplished by the original party and the new party entering into an MOU that includes the LWDB, wherein the new party assumes all of the rights and obligations of the original party. Upon execution, the LWDB Chair (or designee) presents the agreement as a proposed modification to the MOU, and the remaining steps are followed.

If determined that a partner is unwilling to agree to the MOU modification, the LWDB Chair (or designee) must ensure that the process in the Dispute Resolution section as outline above is followed.

### **3. *Signatures***

The LWDB Chair (or designee) must immediately circulate the MOU modification and secure partner signatures. The modified MOU will be considered fully executed once all signatories have reviewed and signed.

The modification may be signed in counterparts, meaning each signatory can sign a separate document as long as the LWDB Chair (or designee) acquires signatures of each party and provides a complete copy of the modification with each party's signature to all the other Parties.

## **Effective Period**

---

This MOU is entered into as of July 1, 2022 and shall expire no later than June 30, 2025, unless any of the reasons in the Termination section apply.

## **Termination**

---

This MOU will remain in effect until the end date specified in the Effective Period section, unless:

- ❖ All parties mutually agree to terminate this MOU prior to the end date.
- ❖ Federal oversight agencies charged with the administration of WIOA are unable to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this MOU succeeding the first fiscal period. Any party unable to perform pursuant to MOU due to lack of funding shall notify the other parties as soon as the party has knowledge that funds may be unavailable for the continuation of activities under this MOU.
- ❖ WIOA is repealed or superseded by subsequent federal law.
- ❖ Local area designation is changed under WIOA.
- ❖ A party breaches any provision of this MOU and such breach is not cured within thirty (30) days after receiving written notice from the LWDB Chair (or designee) specifying such breach in reasonable detail. In such event, the non-breaching party(s) shall have the right to terminate this MOU by giving written notice thereof to the party in breach, upon which termination will go into effect immediately.

In the event of termination, the parties to the MOU must convene within thirty (30) days<sup>1</sup> after the breach of the MOU to discuss the formation of the successor MOU. At that time, allocated costs must be addressed.

Any party may request to terminate its inclusion in this MOU by following the modification process identified in the Modification Process section above.

All Parties agree that this MOU shall be reviewed not less than once every year to ensure appropriate funding and delivery of services.

## **RESOURCE SHARING AGREEMENT**

---

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the LWDA VA Career Works Centers. The Parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the Resource Sharing Agreement (RSA) is to develop the overarching parameters in establishing a funding mechanism that:

- ❖ Establishes and maintains the Local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area;
- ❖ Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among partners (thereby improving each program's effectiveness);
- ❖ Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs;
- ❖ Ensures that costs are appropriately shared by VA Career Works partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received, and requiring that all funds are spent solely for allowable purposes in a manner

---

<sup>1</sup> The time period incorporated here, and throughout this Example MOU, is for hypothetical purposes only. Neither WIOA nor its implementing regulations impose such a requirement.

consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance;

- ❖ Outlines and describes infrastructure costs; and,
- ❖ Describes additional costs (career services and shared services)<sup>2</sup>

*The partners consider this RSA the master budget that is necessary to maintain the LWDA's high-standard VA Career Works system. Furthermore, the Resource Sharing Agreement (RSA) will be the actual document that reflects each partner's shared cost, or contribution, of funding the LWDA local VA Career Works Center(s) pursuant to the provisions of this MOU and its subparts.*

*LWDB and partners must complete the VA LWDA One-Stop Center Budget and Cost Allocation Template, for each Center. Once completed, this document(s) will be accepted by all parties as the RSA, or per federal grant language, the Infrastructure Funding Agreement (IFA). These two acronyms (RSA & IFA) are interchangeable. RSA will be reviewed on an annual basis, recognized as a separate agreement to this MOU and that all parties may announce their consensus of the RSA through the exchange of correspondence between the LWDB and partners or by some other agreed upon procedure.*

All costs will be allocated according to partners' proportionate use and relative benefits received, and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The VA Career Works RSA is expected to be transparent and negotiated among partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

## RSA Timeline

### Cost Allocation Methodology

---

Within the one-stop system, a variety of allocation methods may be used as agreed upon by the partners, which reflect the best measure of benefit received by the partner programs. The VA LWDA One-Stop Center Budget and Cost Allocation template only provides the following three options: (1) number of partner **program positions** dedicated to the one-stop center services; (2) **square feet occupied** by partner program staff; and (3) **number of one-stop center customers** served by partner program.

### Cost Reconciliation and Allocation Base Update

---

All parties agree that a quarterly reconciliation of budgeted and actual costs and update of the allocation bases will be completed in accordance with the following process:

- ❖ Partners will provide the LWDB with the following information no later than fifteen (15) days<sup>3</sup> after the end of each quarter, as applicable:
  - ✓ Quarterly cost information and documentation of the actual costs,
  - ✓ Updated staffing information (per the 1<sup>st</sup> day of a new program year and the 1<sup>st</sup> day of each subsequent quarter), and

---

<sup>2</sup> Additional Costs: WIOA Section 121(i)(1) / Final Rule 678.760

- ✓ Updated square feet occupied, and
  - ✓ Actual customer participation numbers (per the last day of the last month of each quarter).
- ❖ Upon receipt of the above information, the LWDB, or Fiscal Agent, will provide a RSA – Financial Status Report on or before 45 days after the end of the quarter.

## INFRASTRUCTURE FUNDING

---

Infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the VA Career Works Center(s) including, but not limited to:

- ❖ Rental of the facilities;
- ❖ Utilities and maintenance;
- ❖ Equipment, including assessment-related products and assistive technology for individuals with disabilities; and,
- ❖ Technology to facilitate access to the American Job Center, including technology used for the center’s planning and outreach activities.

All Parties to this MOU and separate RSAs for the Center(s) recognize that infrastructure costs are applicable to all required Partners, whether they are physically located in the center or not.<sup>3</sup> Each partner’s contributions to these costs, however, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner programs’ authorizing laws and regulations and the Uniform Guidance.

### Partners

---

Partners funding the costs of infrastructure according to the RSA are the same as identified in the RSA separate agreement for the Center(s).

### Cost Allocation Methodology

---

All Parties agree that the cost allocation methodology for the costs of one-stop infrastructure will be the same as described in the [Cost Allocation Methodology](#) section of the MOU, subpart Resource Sharing Agreement.

### Cost Reconciliation and Allocation Base Update

---

<sup>3</sup> The time period incorporated here, and throughout this Example MOU, is for hypothetical purposes only. Neither WIOA nor its implementing regulations impose such a requirement.

<sup>4</sup>When a local board has determined that a required program is not represented in the local workforce area (i.e., local area), then there is no requirement to include that program in the MOU. *For Example:* If there are no employment and training activities carried out by the Department of Housing and Urban Development (HUD) in the local area, then HUD would not be required to be a partner in that local workforce service delivery system. Thus HUD would not be a party to that local MOU.

**Note:** It must be articulated in the MOU that a required program(s) is not available in the local area.

---

All Parties agree that the cost reconciliation and allocation base update for the infrastructure costs will be the same as described in the [Cost Reconciliation and Allocation Base Update](#) section of the MOU, subpart Resource Sharing Agreement.

### **One-Stop Delivery System**

---

The one-stop delivery system (herein also referred to as the VA Career Works Service Delivery System) brings together workforce development, educational, and other human resource services in a seamless customer-focused service delivery network that enhances access to the programs' services and improves long-term employment outcomes for individuals receiving assistance. One-stop partners administer separately funded programs as a set of integrated streamlined services to customers.

*[20 CFR 678.300(a); 34 CFR 361.300(a); and 34 CFR 463.300(a)]*

### **Infrastructure Costs**

---

Non-personnel costs that are necessary for the general operation of the one-stop center, including but not limited to applicable facility costs (such as rent), costs of utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities. Common identifier costs may be considered as costs of one-stop infrastructure.

*[WIOA sec. 121(h)(4); 20 CFR 678.700(a)-(b); 34 CFR 361.700(a)-(b); and 34 CFR 463.700(a)-(b)]*

### **Additional Costs**

---

Shared operating costs and shared services costs may include costs of shared services that are authorized for and may be commonly provided through the one-stop Partner programs, including initial intake, assessment of needs, appraisal of basic skills, identification of appropriate services, referrals to other one-stop Partners, and business services.

*[WIOA sec. 121(i)(2); 20 CFR 678.760(b); 34CFR 361.760(b); 34 CFR 463.760(b); and TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 4-5, Attachment II)]*

### **Resource Sharing Agreement (RSA)**

---

The resource sharing agreement (RSA) of VA Career Works Center(s) is the financial plan that the one-stop partners, the CEO, and the Local WDB have agreed to in the MOU that will be used to achieve their goals of delivering services in a local area. The MOU must contain, among other things, provisions describing how the costs of shared services provided by the one-stop system and the operating costs of such system will be funded, including the infrastructure costs for the one-stop system (WIOA sec. 121(c)(2)(A) and 20 CFR 678.500(b)).

The RSA may be considered the master budget that contains a set of resource sharing agreement budgets (RSA) or components that consist of costs that are specifically identified in the statute: infrastructure costs, defined in WIOA sec. 121(h)(4); and additional costs which must include applicable career services and may include shared operating costs and shared services that are related to the operation of the one-

stop delivery system and do not constitute infrastructure costs. These additional costs are described in WIOA sec. 121(i). The resource sharing agreement must be periodically reconciled against actual costs incurred and adjusted accordingly. This reconciliation helps to ensure that the budget reflect a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to the partner's use of the one-stop center and relative benefit received. The one-stop operating budget may be further refined by the one-stop partners, as needed, to assist in tracking their contributions. It may be necessary at times to separate the budget of a comprehensive one-stop center from a specialized one-stop center or an affiliate one-stop center.

One-Stop operating costs include infrastructure costs and additional costs, which are made up of applicable career service, shared operating costs and shared services.

[TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 3-4)]

## **Funding Types**

---

### *Cash*

- ❖ Cash funds provided to the Local WDB or its designee by one-stop Partners, either directly or by an interagency transfer, or by a third party.

### *Non-Cash<sup>4</sup>*

- ❖ Expenditures incurred by one-stop Partners on behalf of the one-stop center; and
- ❖ Non-cash contributions or goods or services contributed by a Partner program and used by the one-stop center.

### *Third-Party In-Kind*

- ❖ Contributions of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with one-stop operations, by a non-one-stop Partner to:
- ❖ Support the one-stop center in general; or
- ❖ Support the proportionate share of one-stop infrastructure costs of a specific partner.

[20 CFR 678.720; 20 CFR 678.760; 34 CFR 361.720; 34 CFR 361.760; 34 CFR 463.720; and 34 CFR 463.760]

## **Allocation**

---

Allocation means the process of assigning a cost, or a group of costs, to one or more cost objective(s), in reasonable proportion to the benefit provided or other equitable relationship. The process may entail assigning a cost(s) directly to a final cost objective or through one or more intermediate cost objectives.

[2 CFR 200.4]

---

<sup>4</sup> The value of non-cash and third-party in-kind contributions must be fairly evaluated in accordance with the Uniform Guidance at 2 CFR 200.306.

## **Cost Objectives**

---

Cost objective means a program, function, activity, award, organizational subdivision, contract, or work unit for which cost data are desired and for which provision is made to accumulate and measure the cost of processes, products, jobs, capital projects, etc. A cost objective may be a major function of the non-federal entity, a particular service or project, a federal award, or an indirect (Facilities & Administrative (F&A)) cost activity, as described in Subpart E—Cost Principles of this Part. See also 2 CFR §§ 200.44 Final cost objective and 200.60 Intermediate cost objective.
