VCW Centers are located in Harrisonburg, Winchester, and Fishersville and serve the counties of Augusta, Bath, Clarke, Frederick, Highland, Page, Shenandoah, Rockbridge, Rockingham, Warren, and the cities of Buena Vista, Harrisonburg, Lexington, Staunton, Waynesboro, and Winchester. The SVWDB is Local Workforce Development Area 4 (LWDA4) in Virginia.

This document constitutes the official Request for Proposals (RFP) format and all terms and conditions shall become, through incorporation by reference, a part of any contract or contracts entered in furtherance hereof. All SVWDB programs must adhere to Equal Employment Opportunity guidelines. Auxiliary aides and services are available for individuals with disabilities. All proposers must follow the SVWDB's Equal Opportunity Policy and are subject to Equal Opportunity monitoring. The primary source of funding for the SVWDB is the United States Department of Labor Employment and Training Administration.

Questions regarding this RFP may be addressed to Dr. Sharon Johnson, sjohnson@vcwvalley.com, with the subject line One Stop Operator RFP. Questions must be received by May 14, 2021.

I. General Information

The SVWDB is currently seeking proposals from organizations to provide One Stop Operator services for the Virginia Career Works Centers in Harrisonburg, Winchester, and Fishersville. Currently the SVWDB rents space in the Virginia Career Works – Fishersville center. The contract shall commence on July 1, 2021 and shall continue through June 30, 2022. The SVWDB reserves the option of extending any, all, or no contract for one (1) additional year, subject to negotiation. This one (1) year contract extension option may be exercised up to two (2) times subject to negotiation. Maximum duration may not exceed three (3) years, which includes all allowable extensions.

All proposing organizations will be committed to following and adapting to new regulations as released by the U.S. Department of Labor, Employment and Training Administration regarding the WIOA of 2014.

The type of contract will be cost reimbursement. All proposers must have enough available resources to operate the proposed services, if funded, during start-up and during the time in which invoices are being processed for payment and until such time payment is received.

The RFP does not commit the SVWDB to award a contract or to pay any costs incurred in the preparation of a response to this request, or be bound to procure or contract for these services. The SVWDB reserves the right to accept or reject any or all proposals received as a result of this request, to negotiate with any or all qualified sources, or to cancel in part or in its entirety this RFP if it is in the best interest of the SVWDB to do so. The SVWDB may require the proposers selected to participate in negotiations and to submit any price, technical or other revisions for their proposals as may result from negotiations.

Because it is important for the OSO to be located on-site at the Centers, travel to and from locations outside of the SVWDB service region will not be considered reimbursable under the contract unless expressly preauthorized by the SVWDB.

All non-governmental entities or agencies must provide verification of legal status of the entity or agency as applicable. Any consortium groups that submit proposals in response to this RFP must include **signed Memorandum's of Understanding (MOUs)** by all participating consortium members that outline responsibilities and commitments of each member.

Specific information concerning proposer's qualifications, experience, and related accomplishments must be provided. However, elaborate brochures or other marketing materials beyond those needed to present an accurate description should not be included.

Performance specifications contained in this RFP are **minimum** standards for acceptability and are based on the WIOA of 2014 standards. The SVWDB reserves the right to institute local performance standards and/or other performance measurement systems to ensure quality programs.

Once proposals have been submitted and received by the SVWDB, unless specifically requested by the SVWDB, Chief Elected Officials (CEOs) Consortium, or the RFP Committee, **no proposer is allowed to provide additional information or to make contact with any individual Board member**

or CEO Consortium member or designee regarding the RFP by phone, e-mail, mail, or in person to solicit support for their proposal or to attempt to discredit the proposal submitted by any other proposer. Any proposer violating this provision will not be considered under this RFP. Additional data or information may be submitted only if requested by the SVWDB. Address all inquiries concerning this RFP, program elements, or other issues to SVWDB staff Sharon Johnson at sjohnson@vcwvalley.com or Joan Hollen at jhollen@vcwvalley.com.

II. Background and Scope of Work

As the One-Stop System requires multiple partners to deliver services, effective collaboration and coordination amongst all is essential. In that regard, it is paramount that the One-Stop Operator develops and maintains those critical relationships on an ongoing basis in order to underpin the continuous improvement and support of the One-Stop System.

2.2 Primary One-Stop Operator Responsibilities:

 - 1. Support a collaborative partner-led regional approach for the delivery of services at the VCW Centers;
 - 2. Promote effective integrated, cross agency business practices in the VCW Centers amongst partners;

 - 5. Support the ongoing activities of the partner led One-Stop Business Solutions Teams.

- C. Assist with the coordination and implementation of workforce development policy as it pertains to integrated One-Stop operations, as follows:
 - 1. Adhere to applicable WIOA rules, regulations and policies;
 - 2. Implement applicable local SVWDB policies and other requirements; and,
 - 3. Recommend revisions to existing local policies or other requirements or the need for additional ones, in cooperation with the OSPLT.

- D. Other functional duties of the One-Stop Operator include:
 - 1. Report on the One-Stop operations through the appropriate SVWDB Committee, in writing and/or in person at Committee meetings, as requested;
 - 2. Act as the intermediary for addressing and resolving problems regarding partner roles, relationships, and coordinated responsibilities as relates to the One-Stop System;
 - 3. Support the State's One-Stop Center Certification Process in accordance with requirements prescribed by the Virginia Board for Workforce Development;
 - 4. Manage the Virginia My Journey Portal working with WIOA partners and SVWDB staff; and
 - 5. Assist the SVWDB in developing and implementing strategies to raise community awareness of and access to Virginia Career Works Center services and resources.

By virtue of the interrelationship and co-dependence with the WIOA mandatory partners, the supporting role of the One-Stop Operator must be partner based and collegial and promote continuous improvement to innovatively advance the efficiency and effectiveness of services to job seekers and businesses.
