

# V2V Initiative

---

Debby Hopkins, Chief Workforce Officer & Program Director

**Apprenticeship Components:**

- On-the-job Training
- 1:1 Mentorship
- Job Related Instruction
- Wage increase plan
- National Credential

**Registered Apprenticeships are structured training programs certified to meet government standards**

# V2V Initiative

\$4 Million US DOL American Apprenticeship Initiative Grant

---

Expand the quantity, quality, and inclusivity of Registered Apprenticeships as a strategy to address critical skills gaps in Virginia's advanced manufacturing industry.

# V2V Initiative

*October 1, 2015 – September 30, 2020*

---

## Key Goals:

- +600 New Apprentices
  - 25% underserved
- 175 Employers:
  - +18 new programs
  - +37 Expanded programs
- 33% Completions

Half Time

What's the Score?

# Score at Half-Time

---

- +600 New Apprentices +372 124% of goal at half
- 25% (150) underserved 136 181% of goal at half

# Score at Half-Time

---

- +600 New Apprentices
    - 25% (150) underserved
  - 33% Completions (200)
- |      |                                      |
|------|--------------------------------------|
| +372 | 124% of goal at half                 |
